The recipient of this award will receive \$1000 worth of scholarships funds for the 2019 year at Canopy Studio. The recipient will be expected to volunteer at an outreach event each session. It is also expected that the recipient will work on a "pay it forward" project that will be highlighted by the studio at the end of the year. Recognizing that all stewards of this fund want to see targeted goals that will continue to bring forth Laura's vision, all will work towards initiatives that bring longevity. We look forward to continuing the community light that Laura reflected so vibrantly.

\* The nominee need not be an actual member of a community organizations to show community spirit: Laura was a member of Athens For Everyone, but she also did childcare at the Unitarian-Universalist Fellowship, she volunteered to walk dogs at the ACC Animal Shelter, she volunteered to help people from other countries learn English, helped with local organic gardens, did Rivers Alive Clean-up and more.
